

24 June 2026 - Issue 10

Bright P-12 College Newsletter

Yr 8 VCD

This term, Year 8 students have been exploring the design process in Visual Communication Design (VCD) through a Google Doodle redesign challenge. Students were tasked with creating a new Google homepage logo that celebrated a particular country, cultural tradition, landmark, hero, or aspect of cultural identity while ensuring the word “Google” remained recognisable.

Drawing on research and inspiration, students developed a range of concepts before refining and presenting a final design. Through this project, students practised visual communication skills including typography, colour selection, sketching, annotation, and design presentation. We are proud to showcase some of their creative and thoughtful designs. For more photos, see page 6.

SUSTAINABILITY - BRIGHT FOOD CO-OP SALES

We’re excited to share that our Bright P-12 College produce program has reached an important milestone, ticking over \$2,000 in sales this year. A big thank you to all of the students and staff who have been involved throughout Semester 1 - from sowing seeds and planting, to caring for the crops, harvesting, cleaning, and packing the produce. Your hard work, commitment and teamwork have made this achievement rewarding.

In partnership with the Bright Food Co-op, we look forward to continuing to bring fresh, local and spray free produce to our community. Well done to everyone involved!

Principal's Message

Dear students, parents and carers,

I would like to take the opportunity to thank our students, staff and families for what has been a busy, productive and highly successful term.

From classroom learning and assessment to camps, excursions, sporting events, language competitions and leadership opportunities, our students have engaged positively and represented our school with pride. It has been wonderful to see so many examples of students challenging themselves, supporting one another and striving for personal growth.

On Friday we will celebrate World Cup Day, with students invited to dress up and enjoy the spirit of this global event. We will also hold our Celebration of Success Assembly, where we acknowledge and recognise the many achievements, contributions and accomplishments of our students throughout the term. These occasions are always a wonderful reminder of the diverse talents, efforts and successes that exist across our College community. Everyone is welcome!

We will be providing student achievement reports for Semester 1 this year as usual. They will be published on Compass on 24th June at 3.30pm. Reports provide important details about student learning attainment, however full descriptive comments may not be included as a result of industrial action taken earlier this term by the Australian Education Union. We will of course be pleased to discuss your child's progress with you at our next parent-teacher-student conferences scheduled for Tuesday 1/9 and Thursday 3/9 or, as always, you can arrange a meeting with your child's teacher at any time.

Hard copies of reports are available on request by contacting the front office by Friday 26th June on 57551166 or email bright.p12@education.vic.gov.au

If you have previously received a hard copy, you do not need to put in another request.

As we reflect on the term, I am pleased to say that Bright P-12 College is in a very strong position. Our students are learning well, our staff continue to demonstrate extraordinary commitment and professionalism, and our school community remains supportive and engaged. Together, we continue to build a positive, inclusive and high-performing school where students are encouraged to achieve their best and develop as capable, confident young people.

Thank you for your ongoing support throughout the term. The partnership between home and school is vital to student success, and we greatly value the contribution our families make to our community.

I wish all families a wonderful final week of term and look forward to celebrating the many successes of Semester 1 before students and staff enjoy a well-earned holiday.

See you back at school on July 13th!

Jean Olley - Principal

COLLEGE CALENDAR

**All calendar events are subject to change.
Please check Compass for most up-to-date calendar.**

JUNE

17 MAY-26 JUN	Yr 9 School for Student Leadership

24 JUN	3:30pm School reports published
25 JUN	Yr 9-12 O&M Interschools Sports, Albury
26 JUN	World Cup dress-up day
26 JUN	11:18am Celebration of Success Assembly, Bright Community Centre
26 JUN	Last day Term 2 - school ends 2:30pm

JULY

13 JUL First day Term 3

NEXT STUDENT FREE DAY: Wednesday 9th September

DINNER PLAIN CAMPUS

The winter season is officially underway at Dinner Plain School, a campus of Bright P-12 College, with 14 students beginning their studies in the unique alpine setting for the last three weeks of Term 2. We will welcome a total of 54 Primary students for Term 3 as more families arrive to be part of the Mount Hotham resort community. Students at our Dinner Plain campus this year have come from around Victoria, as well as from Tasmania, NSW and Queensland.

Dinner Plain campus Head Teacher for 2026 Nick Kenwright is a familiar face in the Bright P-12 College community. Nick, who has moved up from Bright for the season with his young family to run the school, said “Many families relocate to

the area each winter to work in the hospitality and tourism industries that support the Mount Hotham snow season. Our students have access to a dedicated school bus service that operates between Mount Hotham and Dinner Plain, ensuring they can travel safely and conveniently each day. Students also enjoy a range of unique alpine activities as part of their school experience. Thursday bushwalking and cross-country skiing sessions provide opportunities to develop fitness and outdoor skills, while popular hot chocolate and reading sessions at Club Wyndham offer a cosy way to relax and enjoy a good book after time in the snow.”

VCE MEDIA & PRODUCT DESIGN COLLABORATION

VCE Media and Product Design students have just completed their first product feedback sessions for the year. The Year 12s in both subjects need feedback from peers and end users to help improve their final products. Following from the VCE Arts Camp, students continue collaborating during the year to help each other produce amazing end products.

HUME CROSS COUNTRY

We had an amazing number of students compete at the O&M Cross Country under very trying conditions in Wangaratta and Beechworth. From this event we had 6 Primary students and 7 Secondary students qualify for the Hume event in Benalla. Congratulations to those students heading to the state event, good luck! Results were:

Girls 9-10

Hazel P 17th

Aisha S 29th

Boys 9-10

Blake C 17th

Girls 11

Lucy G 1st (Qualified for State)

Hannah M 25th

Boys 12/13 Primary

Thomas F 31st

Boys 12/13 Secondary

Harvey D 7th (Qualified for State)

Theodor G 29th

Boys 14

Blake B 32nd

Yr 8 HUMANITIES

Year 8 Humanities students have been investigating the Viking era. They then created an artefact from that era. The next stage was writing a piece of historical fiction that involved that artefact. Students learnt about historical events and items while also creating their own written piece of historical fiction.

Yr 10 FOOD

Our Year 10 Creative Foods class undertook their final production task for this Semester, a celebration layered cake.

All students had earlier prepared their cakes which then needed to be shaped, filled and decorated within a 2 hour period. With the cooler weather this is a more enjoyable task. Some of the cakes were quite classical whilst others addressed a more contemporary theme. From the range pictured, it is clear that students enjoyed this task - both in the planning and the production phase.

Yr 8 VCD ctd...

PREP JAPANESE PERFORMANCE

Our Prep students were very excited to welcome family members and special guests to their Japanese performance last week. The students all gave an individual speech about their likes and dislikes in Japanese and performed a couple of songs.

Most of our Primary students would recognise the songs: Panda, Koara, Usagi and kobuta, taniki, kitsune, neko. Well done to the Prep students for all of the preparation, practise and performance.

INFORMATION EVENINGS

Next term, we are hosting three Information Evenings:

- Wednesday 22nd July. For current Year 10 students and their families
5pm - 6pm: VCE & VCE VM Subject expo
6pm - 7pm: VCE Information presentation
- Monday 27th July 6pm - 7pm. For current Year 9 students and their families
- Thursday 3rd September 6 - 6:45pm. For current Year 6 students and their families

These Information Evenings are a chance to gather information, learn about school camps, think about subject options for next year and ask questions of our teaching and careers staff. All Information Evenings will be held in our school library.

See Compass posts sent to current Year 9 & 10 students and parents/carers for more details, including 2027 Course Guides. More details about the Year 7 in 2027 Information Evening will be included in the next newsletter.

Yr 5 ART

Year 5 students worked on their print project.

Yr 2/3 PE

Watch out! These upcoming footy stars are on the rise! 2/3C is having so much fun learning AFL skills in PE. Everyone is giving it a go and enjoying our time outside together - exactly what sport is about. Students have also been engaging in post-session reflections where we discuss our challenges and successes as a group.

SUSTAINABILITY - GREENHOUSE UPDATE

Our donated greenhouses are progressing exceptionally well, thanks to the hard work and teamwork of our Year 5 and 6 students, along with the support of parent donations, teachers Nick Kenwright, Matt Barrett, and Steven Thomas.

The VM VCE students played a key role in carefully transporting and moving the structures onsite, setting the project up for success. From there, our Year 5 and 6 students rolled up their sleeves, digging out the base, squaring and levelling the site, and installing the base sleepers. New skills have been acquired such as using a drill and how to plumb and square the structure. It has been fantastic to see students taking ownership of the process and developing practical skills as our new growing spaces begin to take shape.

CAN YOU HOST A JAPANESE STUDENT?

Later this year, 14 Year 8 Japanese students will be visiting our school from Gamagori. We are still seeking some families to host students from October 11-16.

If your family is interested in hosting a Japanese student, please complete the following form: <https://forms.gle/rMQUDf8TeRo4W5bR6> (Families who have already completed this form do not need to submit it again). Please reach out to Sue Joyce if you would like more information.

SUSTAINABILITY - GRANT NEWS

We are proud to announce that we have been awarded funding from the 2026 Victorian Schools Garden Program, in the 'Garden Maintenance' category.

Bright P-12 College was one of 375 schools and kindergartens across Victoria which applied for a grant. This year, 87 schools and kindergartens were awarded grants to help establish or enhance their garden projects.

Yr 3/4 THEATRE EXCURSION

What happens to all the things we lose? Our Year 3/4 students set off to find out during their visit to see 'You & Me and the Land of Lost Things' at WPACC in Wangaratta. The performance took us on an adventure filled with laughter, imagination and plenty of fun. Firm favourites among the characters were the bull who dared to be brave, the groovy shark and the pirate rabbit. Add to that a play before and after at Apex Park and it was a fantastic day out.

WELLBEING

Throughout the year, we've been working with Secondary students, taking them through activities and resources from The Resilience Project. As we head into the school holidays, here's a family activity you might like to try.

We're working with The Resilience Project

We're proud to be implementing TRP's evidence-based whole school wellbeing program. Students will engage in weekly lessons to understand and strengthen their practice of **Gratitude**, **Empathy**, **Mindfulness** and **Emotional Literacy**.

Gratitude

Gratitude involves recognising and expressing appreciation for the people, places and things in our lives. Practising gratitude allows us to pay attention to what we have, increasing feelings of happiness and leading to a more positive outlook on life.

Empathy

Empathy involves understanding others' feelings and perspectives and is practised through kindness, compassion and curiosity. Developing empathy fosters deeper connections, increases our likelihood of acting kindly, and helps us experience positive emotions.

Mindfulness

The practice of mindfulness is about an awareness of life as we are living it. It allows us to be responsive to our experiences rather than being reactive, and to live with greater balance, presence and connection.

Emotional Literacy

Emotional Literacy involves learning to identify and label our emotions, as well as developing emotional regulation skills. When we can accurately name our feelings and emotions, it reduces the impact of uncomfortable emotions and enhances the effect of positive ones.

Family Activity

MINDFUL MOVEMENT: CONNECTING BODY & MIND

As a family, discuss how often when we move, we do so mindlessly. We are more focused on where we are trying to get to or the thoughts spinning around in our heads. **When we move with mindfulness, it becomes a fantastic way to bring together movement of the body and focus of the mind.**

ACTIVITY IDEA: FAMILY WALKING MEDITATION

Set aside time to take a short walk together. As you walk, practice mindful movement by focusing on each step you take. **Remind yourselves that your body is moving, while your mind remains calm and present.**

Here are some ideas to help you focus:

- ★ Pay attention to your **breath** as you walk.
- ★ Notice how your **arms swing**, your **feet lift**, and your **knees bend**.
- ★ Focus on the **sensation** of your foot touching the ground: heel, ball, and toes.

After your walk, talk about how it felt. Did it help you feel more centered? Where else in your daily life could mindful movement be helpful?

NEW BRASS TEACHER

We are pleased to announce that we have a new brass teacher who is available to teach trumpet, French horn, euphonium and tuba.

If any students are interested in learning one of these instruments, please contact Fenella O'Sullivan on 0438782739.

About Fenella: Fenella O'Sullivan is an experienced brass educator, conductor, and performer based in North East Victoria. With a passion for developing confident, capable musicians, Fenella teaches students of all ages and abilities across a range of brass instruments, helping them build strong technical foundations while fostering a lifelong love of music.

As Musical Director of Wodonga Brass and Artistic Director of Wodonga Carols by Candlelight, Fenella is an active leader within the local music community. She has extensive experience conducting community ensembles, directing school band programs, and mentoring young musicians in both individual and ensemble settings.

Fenella's teaching philosophy focuses on creating a supportive and engaging learning environment where students can achieve their personal goals—whether preparing for examinations, auditions, school performances, solo competitions, or simply learning for enjoyment. Lessons are tailored to each student's needs, with an emphasis on developing sound technique, musical expression, confidence and performance skills.

Alongside her teaching and conducting commitments, Fenella continues to perform regularly and has been involved in a variety of ensembles and community music projects throughout her career. Her broad experience as both an educator and performer allows her to provide practical, inspiring, and well-rounded musical guidance to her students.

Fenella welcomes students of all ages and abilities who are looking to begin their musical journey or further develop their brass playing in trumpet, trombone, French horn, euphonium or tuba.

COMMUNITY NOTICES

Eyewatch - Wangaratta Police Service Area

The Community Sentiment Survey is NOW OPEN – and Victoria Police want to hear from you. The annual Community Sentiment Survey provides an opportunity for all Victorians to share their safety concerns, how they would like to interact with police, and where Victoria Police can focus efforts to keep our communities safer.

The survey supports the Neighbourhood Policing Framework and is for people of all backgrounds who live, work and socialise in Victoria. The survey is anonymous.

Your feedback helps us understand what issues matter most to you and helps us develop ways to tackle them. If you live, work and socialise in Victoria, tell us:

- how you feel about safety in your local area
- your ideas to improve the work we do
- how you want to engage with police and PSOs.

Make your voice count.
Complete the survey before 30 June.

HOW CAN WE KEEP YOU SAFER?

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
29 JUN Spellbound Kingdom Join us as we explore a world of dragons, fairies, and fantasy through exciting activities. Take part in the thrilling Dragon Crossing group game, get creative with enchanted crown crafts, and design your very own mini maze using magical treasures from various. To finish the day, enjoy a sweet treat with enchanted apple pops. From as low as \$8.19* Full Fee \$28.59**	30 JUN Path of the Warrior Gear up for an action-packed adventure as a ninja warrior! Join other TC services and test your ninja skills as you navigate through an array of thrilling obstacle courses! Then later, we will get creative and design your very own customisable headband, and a 'fused' star stained window decoration. From as low as \$12.05* Full Fee \$70.84**	1 JUL Talking T-Rex Lets make our own Talking T-Rex! Start your own dinosaur, record a special message and back it inside - will it roar, will it play, or share a secret? It's your choice, your dinosaur, and endless fun in one cuddly plushie! Then, enjoy T-Rex slinky dog craft, dinosaur hat craft, and a fuzzy dinosaur STEAM experiment! From as low as \$8.70* Full Fee \$28.03**	2 JUL Pass the Popcorn Lets go to the movies and see Toy Story 5! The two are back and this time, Buzz Lightyear, Woody, Jessie and the rest of the gang's jobs are challenged when they come face-to-face with Lyle. Back at service, we will make our own Fork Friend, and compete in a group challenge of Pin the Face on the Potato. From as low as \$11.97* Full Fee \$70.89**	3 JUL Car-Chow! Get ready for an action-packed day all about cars, speed, and creativity! Kick things off with the traffic-light group game, get crafty and design your own Popcycle Stick Cars and Inventive as we build and race balloon powered cars. To finish the day, test your speed in the ultimate challenge, the parking bay dash! From as low as \$8.16* Full Fee \$28.63**
6 JUL Hero Training Academy Get ready for epic team challenges during our hero-in-making bootcamp! Work together to conquer physical and cognitive challenges, it's all about teamwork, strategy and non-stop fun. We will then make our very own Padawan inspired top hat, and play a fun game of line tag and musical hoop school. From as low as \$9.57* Full Fee \$95.73**	7 JUL Wheels of Wonder Get your skates on, we are going roller skating! After all the skating fun, SKULL into some cool clothing and create a fire breathing dragon, followed by a competitive game of licitation ice skate tag. From as low as \$11.97* Full Fee \$70.89**	8 JUL Heroes v Villains Get ready for an action-packed day of fun and super-sized challenges! Create your very own superhero mask and design a shield fridgebox. Bring your characters to life with fun Pipe Cleaner Super Heroes, then test your skills in an exciting game of Hero vs Villain Tag! Will heroes save the day, or will the villains take over? From as low as \$8.70* Full Fee \$28.58**	9 JUL Fish are Friends Globe Create your own underwater scene with a cute Lego clownfish at the center! Decorate your globe, fill it with swirls that drift like ocean currents. Give it a shake and just keep giving as your clownfish swims through its shimmering sea. Afterwards, we have some super fun science activities planned for us to get our STEM on! From as low as \$8.70* Full Fee \$27.03**	10 JUL Animal Sidekick Safari Get ready for a wild adventure today you will create your very own Safari Sidekick to spirit creatures up close, then get moving in a silly game of crab walk tag. Unleash your creativity with a playful clay dog craft, and finish the day with the classic favourite game doggy doggy, where is your bone? From as low as \$8.76* Full Fee \$28.58**

Positive Parenting Telephone Service

Our free 6 to 10 week program helps you to:

- Have stronger, more positive relationships
- Set rules and limits
- Manage everyday behaviour problems

Our program is for parents, grandparents and carers of children aged 2 to 12 years.

Participants complete a workbook and are supported by weekly 30 minute phone calls with a trained parenting educator.

All of this can be done from the comfort of your own home at a time that suits you.

This is a **FREE** service, and enrolments are taken all year round. Call us for more information or to enrol.

WELCOME TO THE RESILIENCE PROJECT™

Parents & Carers

Why?

1 in 4 adolescents have a mental illness.

65% of adolescents do not seek help.

1 in 7 primary school children have a mental illness.

1 in 5 adults will experience mental illness.

Over 50% of students are at risk of a poor learning mindset (anxiety + disengagement).

Source: National Survey of Mental Health and Wellbeing, Australian Institute of Health and Welfare, Australia's Youth: Mental Illness

About the program

TRP is committed to teaching positive mental health strategies to prevent mental ill health and build young people's capacity to deal with adversity.

We're proud to be implementing TRP's evidence-based whole school wellbeing program to support positive mental health in the classroom, staffroom and wider community.

Students will engage in weekly lessons to understand and strengthen their practice of **Gratitude, Empathy, Mindfulness** and **Emotional Literacy**, with regular opportunity for parent/carer involvement.

Get involved with TRP@HOME

Scan the QR code or [click here](#) to find activities and resources to implement the GEM+EL principles at home.

Evidence-based

TRP's School Partnership Program has been independently evaluated by [The University of Adelaide](#) and [The University of Melbourne](#).

ALPINE

EARLY YEARS OUTREACH PROGRAM

The Early Years Outreach Program is a free service that supports families from a Culturally and Linguistically Diverse (CALD) background who live, play, work or study in the Alpine Shire.

Our CALD Early Years Officer works directly with families and local service providers to support inclusion and ongoing participation in education.

We can assist to:

- Enrol children in Kindergarten
- Connect with other early childhood supports
- Support families to transition from Kindergarten to Primary School

To find out more contact the CALD Early Years Outreach Officer:
