

# BRIGHT P-12 COLLEGE: PARENT PAYMENTS – 2018

## YEAR 12

Our College purpose is to provide a stimulating learning environment that enables every student to build skills and pursue opportunities to best prepare them for their individual life journeys.

For our school to continue to provide high quality programs and equipment to students, Government funding **must be supplemented by locally generated funds**. Bright P-12 College Council recognises the burden parent payments may have on families and has endeavoured to minimise these costs.

Families experiencing financial difficulty are encouraged to contact the College and arrange a confidential meeting, as a range of support options are available to assist eligible parents.

Bright P-12 College Council Parent Payments Policy can be viewed at [www.brightp12.vic.edu.au](http://www.brightp12.vic.edu.au)
