Alpine Kids Club - Goals

To provide an environment that is:
- Nurturing and stimulating.
- Child focused.
- Welcoming to all.
- Comfortable, with an area for rest and relaxation.
- Safe and clean.

To provide a program that:
- Is based on the knowledge, culture, abilities and interests of each child.
- Is based on the Framework for School Aged Children – My Time, Our Place.
- Reflects the voices of each child and their family.
- Is inclusive of every child and their family.
- Is culturally diverse.
- Is flexible.
- Incorporates both indoor and outdoor spaces.
- Offers a range of open ended resources.
- Has sustainable practices embedded.

For educators to:
- Develop warm, respectful relationships with all children and families.
- Hear the voices of children and their families, responding sensitively.
- Maintain the dignity and the rights of every child at all times.
- Support children to feel secure, confident, valued and included.
- Foster each child’s independence and self-esteem.
- Support each child to manage their behaviour.
- Consider the ways in which the learning of each child can be scaffolded immediately, when interacting with or joining in children’s play.

For our service to:
- Have open lines of communication with families, in which families are encouraged to have input into operational and programming decisions.
- Provide a diverse range of nutritious food and to encourage healthy eating habits by role modelling and providing information.
- Develop strong ties with the local community.
