The Bright teams who attended the Snowy River Campus at Marlo in Term 1 continued to work hard on their Community Learning Projects (CLP) throughout the year.

In December one team successfully completed their project and handed over a cheque for $4,500 to the Bright Hospital (pictured below right with Jenny Stott, Health Services Manager). This money will be used for the purchase of resources for the hospital.

The second team (pictured at right) received a cheque from Mark Ditcham on behalf of the Bendigo Bank, to go towards the installation of a drinking fountain at Howitt Park.

The Term 4 Marlo team (pictured left) returned to Bright in December. Their CLP for 2013 is to teach primary students the benefits of a healthy lifestyle.

We had a visit from the CFA Fire Safety Awareness Education Bus for two days. Students from Years 1-8 attended 40-minute sessions where they were taught about fire awareness and safety.
This year, thanks to our dedicated volunteer coordinators we have kept to our coordinated calendar of events, which has brought in continued revenue for the fundraising bucket. P&F have held or supported the following events, coordinated by P&F members as noted:

- BBQ Stall at Bright Markets, monthly - Kate Farrell (P,F,C)
- Welcome Back BBQ, 1st term – Kerry Anne Paternotte and Roshelle Harrison (P,C)
- Walk/Ride to school days - Kellie Gray (S,C)
- End of Term Lunches – Kellie Gray, Rene Rosser (P,F,C)
- Rockabilly Ink and Oil (RIO) Festival - Susie Ross (F,S)
- Bright Fun Run – Bianca Dooley, Katrina Ciolli and Darin Lynch (P,F,C)
- Gala Day Parade Float (P,F,S)
- Bright P-12 College Open Day (S,C)
- Book Fair - Toni O'Brien (S)
- IGA Shopper Dockets - Kath Baldock (F,S,C)
- Woolworths Earn & Learn - Kylie Wickham (F,S,C)
- Second Hand Uniform Sale - Mandy Lawless (P,F,S,C)
- Busy Bee. Jason Reid (S,C)
- ‘Cinderella’ Excursion. – Susan Anehagan (P,S,C)
- Friends of P-12 Band fundraiser. Lee Paul (F,S,C)
- Snow sports Team fundraiser - Andrew Forbes (F,S,C)
- Bright P-12 Art Show Nov - Fiona Forbes (F,S,C)
- Second Hand Book sale – Annette Donehue and Chris Blazek (S,F,C)
- Bright P-12 Art Show - Fiona Forbes (F,S,C)
- Walk /Ride to school days

In 2012 the P&F group contributed to $13,555.27 worth of wish list items which have been distributed throughout the school community.

Another achievement P & F are proud to announce is the revised charter. We developed a clear path for the future of the fundraising body of the school and we now recognize where we fit as a supportive group to the school community. One of the great outcomes of revising the charter was a foundation set up to support teachers and families in need. Each year the fund will receive 20% of the fundraising amount.

We are always encouraging more parents and friends to join so we can keep them up to date about fundraising events and important information. A welcome card was created for our new and current parents and friends who have not yet joined our email database.

From the above calendar of events you can see that the Parents & Friends had a very busy and productive year. The Bright Market BBQ was a consistent fundraiser for the school throughout the year and we owe Kate Farrell a very big thank you in coordinating this. A special mention must also go to Kate’s son Sebastian who was a wonderful supporter throughout the year. I would also like to thank all the volunteers who gave an hour or two of their time on a weekend to help with the stall and those who supported and bought from the stall.

This year’s Fun Run was a great success and raised the P&F Group more than $6,000. Bianca Dooley and Katrina Ciolli, with special assistance from Darin Lynch, did a superb job as coordinators and they rallied sponsors and plenty of volunteers for the event as well as a healthy turnout of runners!

Kellie Gray and Rene Rosser have once again done a wonderful job as coordinators for the End of Term lunches. I was also very touched to see all the students being named individually by the regular volunteers who attend this event, which shows wonderful connections between parents and children in the school community. This is what I think makes living in a small town community so unique and precious. It is also a wonderful testament to the volunteers of the Parents & Friends Group and the consistent dedication they make to our school.

Thank you to Susie Ross for the coordination of the Rockabilly Ink & Oil (RIO) Festival and organising our many volunteers over the two nights.

Another small fundraiser I would like to mention was the second hand uniform sale. Mandy Lawless coordinated and we had a healthy turn up of volunteers to man the sales desk for two days. A team effort, which made money for the school and also benefited families by providing cheap uniforms.

A very big thank you needs to go to Kath Baldock who coordinated the shopper docket competition this year. IGA have been incredibly supportive to Bright P-12 College and give us 1% of each total docket amount. This money goes towards a major project in the school.

The P&F are not just a fundraising group. We offer support for school functions and to teachers wherever we can. We even managed to financially support an excursion for the P-4 grades to go and see the musical play ‘Cinderella’. Thanks to Susan Anehagan for her vision and coordination it was a great success.

Thank you Kellie Gray, Bianca Winslade and those volunteers who got to the school early on those Walk and Ride to School days to ensure all those keen participants were fed and watered with a hearty breakfast before starting the day.

Thank you to all the coordinators who are mentioned in the calendar of events above, for their time and wonderful contributions. They made 2012 very successful and profitable.

To all those active members who have helped support the fundraising events and the plethora of activities in the school, supporting our teachers and students and to our sponsors Dickens Real Estate, Bendigo Bank, HVP, Everest Sport and all those other local businesses, a very big thank you to you all.

Thank you to those parents and friends who attended our meetings and supported the many decisions and discussions we had to make in the year. I would like to make a special mention to all our dedicated teachers and staff at Bright P-12. The P&F Group is here to support them in any way we can, as we believe in the hard work and dedication they put into this school and its students.

Lastly I would personally like to thank the executive, Sally Cocks (Vice President) Lisa Neville (Treasurer) and Kylie Wickham (Secretary). Thank you girls, you have made my job seem effortless and fun and I have really enjoyed working with you all.

Fiona Forbes
P&F President
This year in the Primary SRC the students decided that their main priority was to get some of the playground equipment in the primary yard repaired and improved. As the year progressed the students did a number of things to achieve this goal. They drafted a letter to the ‘School Council’ asking for assistance with this project for this year. The students were able to raise some money which would be put towards fixing up the playground equipment. They also ran another ‘Casual Day’ where they raised money to go towards ‘Jeans for Genes’ day. The money raised from this day went towards the ‘Children’s Medical Research Institute’.

The students this year met every fortnight during Monday lunchtime to discuss issues that were current. The students involved this year were: Juliette Cavedon (President), Daniel Neville (Vice President), Jedd McIntosh (Treasurer), Ned Crawley (Secretary), Lachlan Hika, Grace Taberner, Tom Gladstone, Billy Michie, Charlotte Kelly, William Melloh, Zoe Ditcham, Shaun Scanlan, Hettie Hurst, Kai Stavar, Amali Hika, Aspen Thomas, Trent Cassidy, Christian Stadelmann and Billie Davern. We would like to thank all the students elected to the SRC for their work this year.

Lorraine Fraser and Jason Campbell
Primary SRC Coordinators

The 2012 Secondary SRC group could generally count the year as a success. Twenty representatives were elected into positions to represent their respective homegroups and students in general.

The major focus was again the Student Lounge. Plans were drawn up, measurements taken of dimensions and materials sourced to refurbish the Lounge, this major work will occur in 2013.

One of the first official activities for the representatives was to act as tour guides for the German Exchange students from Bad Aibling.

Representatives attended a Youth Forum in Bright and imparted their views on important issues such as alcohol, community and school. Representatives also attended the Model UN Conference.

The SRC sponsored Alex Mitchell in her quest for funding to be on board the Young Endeavour sailing training ship.

Casual Days raised in excess of $500.

The SRC supported Bonnie Wright’s application on behalf of the incoming VCE students to have nicknames on the back of their jumpers.

Camila Miranda worked on a project “Y-Generation Against Poverty” which collected 5 cent pieces. The organisation is designed to support children in slavery and those that are trafficked. She collected a considerable sum of money.

The SRC had input into the revamped Yr. 7-12 Class Rules document as well as having input into traffic management issues at the College and the lockdown procedures at the College.

Representatives volunteered to assist the RSL in selling Legacy Badges in town.

Thanks to the following representatives for their work throughout the year:

7B  Donnie Narndu, Brianna Williams
7C  Jake Wood, Lauren O’Shea
8B  Joshua Lancaster, Liam Van Urk, Genevieve Taberner
8C  Robert Merrett, Rachel Ahne Hawley
9B  Joshua Dalbosco, Peg Wright
9C  Matt West, Brianna Thomas
10B Kieren Jamieson, Miranda Williams
10C Max Nixon, Caroline Hodge
11  Will Perry, Courtenay Ford
12  Ryan Kupferle, Camila Miranda

I would especially like to thank Allan J Findlay for his tireless work with our students and in particular the SRC. He has been a most valuable partner in SRC operations and initiatives throughout the year.

Frank Kusch
Secondary SRC Coordinator

Pictured at left: 2012 Secondary SRC
The year of 2012 has been one fraught with challenges, successes and great achievements.

First, can I take this opportunity to congratulate all students on the completion of their academic year. Congratulations to our Year 12 students on the completion of your most challenging year. It is at this time of the year when we can all sit back and reflect on the year gone by. Students and teachers can now relax and celebrate the many achievements – sporting as well as academic. We should all celebrate and congratulate even the smallest successes.

At the end of the year we held the Awards Ceremony. This Ceremony is about every student regardless of whether they receive an award or are the Dux of the school. You have all achieved in your own way – so be proud of yourselves and be proud of your school. We, your parents, your teachers and the school community are proud of you. Take time to access your achievements and perhaps your failures, set your goals and focus on what direction you would like your future to take you. Never give up and you will certainly succeed.

As President of the Bright P-12 College Council, it is a pleasure to report on behalf of my fellow Councillors; Gerard Gray, Mark Ditcham, Graham Gales, Fiona Forbes, Fiona Hurst, Jason Reid, Peter Van Urk, Graham Wood, Scott Jones, Jenny Young and our visionary leader and Principal John Pryor. In attendance at most meetings, we also have the assistance of our very capable Assistant Principals, Annie Gowing and Jean Olley, and our Business Manager Kerryn Britten, who assist Council in wading through often lengthy policy documents – to get it just right and to assist Councillors with ‘education jargon’ and the interpretation of complex reports and to make sure we stay on budget and spend money wisely. We encourage students to attend our Council meetings via membership of the Student Representative Council. I would also encourage parents, especially new parents to our school, to consider joining Council in 2013. Being a Councillor is very rewarding and is one of the best ways to become involved in your school. Bright College has a dedicated and hard working group of Councillors who work diligently to achieve some fantastic results. On behalf of the School Community, I thank Councillors and the College staff for this commitment and vision.

Council congratulated John Pryor in being reappointed as Principal of Bright P-12 College for a further 5 years. We continued in working towards refining and analysing our Strategic Plan – Council continue to review data and encourage feedback from students, teachers and parents striving always to improve outcomes at our school.

I have attended some fantastic activities as part of my role as President; the Primary and Secondary Art Show – highlighting some very talented students, the Music Soirees, the College Snowsports Awards, the Fun Run, the Year 12 Valedictory Dinner and, most important event of all - the Alpine Eagles Under 18 Premiership for 2012. Supporting the school and the many events the school is involved in are our sponsors – this report would not be complete if I was not to thank the continued support of IGA Supermarket, Bendigo Bank, HPV Plantations, Woolworths Supermarket and the many other local businesses that support our school. I would also like to add to John Pryor’s praise of Steven Jenvey, our very able Grounds and Maintenance person. I have worked with Steven at our working bees and he always gives that little bit extra – a job never too big or small – on behalf of Council, thank you Steven.

It has been a very busy year. Please take time to read the Parents and Friends (P&F), President’s Report. Fiona Forbes was President this year as well as a representative on College Council. P&F contributed $13,555 worth of wish list items in 2012. As the Fundraising arm of College Council, P&F form an important part of our school. Membership is open to all parents and the school community. Look out for their meeting days and come along, have your say and get involved. For 2013, our new President of P&F is Sally Cox; Lisa and Kylie will continue in their positions of Treasurer and Secretary. The P&F motto is: “Inspiring education, supporting families and connecting community”.

Council has worked on developing new policies to best provide students with a safe, supportive and vibrant place of learning, encouraging them to enjoy their learning safely and ultimately achieve success. Policies have included our Student Engagement & Wellbeing Policy, the Drug Education Policy and Occupational Health & Safety Policy. Next term we will see our Uniform Policy being reviewed and Council will develop a Reconciliation Policy as part of looking at “Closing the Gap” and the reflecting the close connections between the students at our school and the Wadeye Aboriginal Community in Northern Territory. Bright P-12 College now offers Indigenous Studies through to VCE level and has a number of students enrolled in the subject for 2013.

Bright P-12 College has many opportunities for parents to be involved in their child’s education from helping with reading, taking part in an exchange programme or joining one of our Sub Committees; Finance, Curriculum; Camps and Excursions; College Development & Maintenance; Stadium, Parents & Friends/Fundraising, Outside School Hours Care Management, Uniform, Occupational Health & Safety. The Principal and School Council President are Ex Officio for all Sub-Committees and other Councillors nominate to join at least two of the Sub-Committees.

This year Council have formed a new Sub-Committee – Marketing & Promotions – to look at improving the promotion of our school. The Committee aims to identify the strengths offered at our school, including; Leadership, Academic achievements, Unique programmes such as Indigenous Studies, Languages (Japanese and German) Equine, Hospitality, Outdoor Education, our Music Programme, Literacy and Numeracy - highlighting the successes of our students, not only while at school but after they leave. The community will hear more on this committee next year and if you have an interest or talent, please consider joining this group.

15 years ago I sat on a committee discussing the integration of Kindergarten, Childcare and Education – it seems appropriate that in my last year as President of Bright P-12 College Council, I recently joined the Alpine Shire CEO Ian Nicholls, Jenny Kromer Manager of Alpine Children Services and Jean Olley Acting Principal of Bright P-12 College in the “handing over of keys” to our new Early Learning Centre – which will incorporate Kindergarten, Childcare Services, and a number of other community services. There is a linking pathway between Bright P-12 College and the Early Learning Centre. I would like to thank our College Council for believing in the dream and John Pryor for his persistence and visionary leadership to make sure it happened. This is one Building Education Revolution project that can be identified as a truly successful partnership between our school and our shire, meeting the needs of the community. This has been a vision I have shared with the shire and our community for 15 years which now has finally come to fruition. It is a fantastic facility which will service our community for many years to come.

Bright P-12 College is Unique. We offer unique programmes, we have unique teachers, we have a unique Leadership Team, We have a unique Council, we have unique students – we are unique in every way. We may not be perfect, we don’t always get it right but we do care and we do listen. I encourage our school community to spread the word and talk up our school – it is a fantastic educational institution which has much to offer.

See you all in 2013.
