**Occupation/Skills:**  
General Manager of Everest Sports, Ausbike & bike TREES  

**Special Areas of Interest:**  
I have a strong sense of community and family. I also have a very strong environmental attitude that reflects in how and why I run my businesses and why my family chose to live in Bright.

**Why and when did you join College Council?**  
Education is the foundation for advancement of quality ideas that contribute to a better quality society at all levels. Education is also the cornerstone of life quality and is something that should be seen as a priority for all within the community that we live in. My daughter Sophie is in Prepp, my other daughter Zoe will be starting school in two more years so I have many years to serve the school and in turn the community.
